

# WCG Next

*A vision for disciple-making in new generations, new cultures & new places*

Over the last two decades, our fellowship, the Worldwide Church of God, has experienced remarkable transformation. And now we sense God's call to **WCG Next**—a vision for going forward with Jesus:

***Making disciples who make disciples...in new generations...new cultures...& new places.***

Following the Spirit's lead, we've taken important first steps. And now, through a partnership of congregations and denominational ministries, we can get to **WCG Next** together. To equip us for the journey, WCG-CAD provides the services of two **WCG Next**-focused ministries:

**Generations Ministries.** Because **WCG Next** is about intergenerational ministries and churches, GenMin will train and support ministers, parents and members of all age groups to disciple the young, strengthen families, and train and provide opportunities for the next generation of WCG church leaders.

**Church Multiplication Ministries.** Because **WCG Next** is about expanding into new locales, age groups and cultures, CMM will train and support congregations, pastors and ministry leaders to start new kinds of churches, for all kinds of people, in all kinds of places.

## *We will see lives transformed as we pursue WCG Next together*

WCG Next is a vision for transformed lives in new generations, new cultures & new places. Here's what some of our WCG brothers & sisters are seeing already.

"GenMin has helped transform my congregation by providing powerful tools to multiply young followers of Jesus and raise up and deploy young leaders. Now CMM is helping us prepare to plant new churches." -Jim Valekis, Tipp City, OH pastor

"I'm so grateful for Servants Passage, it has helped me see clearly my calling to ministry within my church" -Horace Hammond, White Plains, NY member

"Camp was an 'incubator' that birthed a children's ministry in my congregation. Now we're building on this foundation and GenMin is helping us build with 'gold, silver and costly stones' (1Cor. 3:12).

-John Peterson, Marion, OH pastor

"CMM shows us our future in a whole new light—giving us ways to gather, choose and empower church planting leaders. These are strong foundations for the next decades."

-Glen Weber, Vancouver, WA and Portland, OR pastor

"CMM new church planting training is giving WCG new focus and hope for our future." - Alberta Ecker

## *Let's partner to get to WCG Next*

- **Partner in giving.** Funds are needed to get us to *WCG Next*—money for training camp directors and church planters, producing publications, and developing training materials. A source of funding above current levels is needed for this important *domestic mission work*. For that purpose, we've established the **WCG Next domestic mission fund** (see below).
- **Partner in prayer.** Join the *WCG Next* prayer team by emailing [WCG.Next@wcg.org](mailto:WCG.Next@wcg.org). We'll keep you updated concerning *WCG Next* needs and progress.
- **Partner in shared ministries.** You and your congregation can share with others in pursuing the *WCG Next* vision by hosting GenMin or CMM seminars, providing camp staff, or planting (or supporting the planting of) new congregations. This is vital ministry that we can do more effectively together than separately—both locally and nationally.

We invite congregations to donate to the **WCG Next domestic mission fund** as a focus for their outreach. We encourage donating a set amount each month as an add-on to the congregation's automatic monthly electronic 'draw.' Have your treasurer go to your congregation's page in the WCG.online donation system and there designate how much the congregation wants to give each month to the *WCG Next* domestic mission fund. Such designations may be modified at any time.

Congregations may donate to the fund at any time by check issued to 'Worldwide Church of God.' Note on the memo line that the check is for '*WCG Next* domestic mission fund.' Send checks to Worldwide Church of God, PO Box 5005, Glendora, CA 91740-0730.

All contributions to [WCG Next domestic mission fund](#) support the work coordinated by Generations Ministries & Church Multiplication Ministries.
